Ishida Scale Labels for use in **Ishida Scales**

LSi does not sell Ishida Scales, or any other quality scale brands. However, Label Specialties, Inc. has specialized in manufacturing scale labels in order to support label printing scales, including Ishida scale models since 1980.

LSi manufactured Ishida scale labels have been used in thousands of Ishida scales for the purpose of labeling retail bakery, deli, cheese, meat, fish and other seafood, poultry, and produce packages found throughout the US and in other countries.

As a nationally recognized scale label manufacturer for three decades, Label Specialties, Inc. continues to maintain a leadership position in providing premium quality Ishida scale labels to small, medium, and large customers nationwide and in other countries. Over 1,800 distributors and other label customers throughout the U.S. can attest to our industry leading prices on Ishida and other scale label brands.

Our quality and prices are indeed reflective of our reputation.

Both **Custom** and **Stock** Ishida scale labels are manufactured by Label Specialties, Inc., and we maintain a large **inventory** of popular **Stock** Ishida scale labels that allow LSi to service customers with same, or next day shipping capabilities.

Warranty

LSi Ishida scale labels are produced using **premium** Direct Thermal papers and our standard supermarket adhesive has a service range of -60°F to +150°F and the suggested range for applying the labels is between +25° and standard room temperature.

Our supermarket adhesive is designed for adhering to both **refrigerated** and **non-refrigerated** retail food packages and our base materials always meet, or exceed O.E.M. specifications.

Label Specialties, Inc. guarantee our labels will perform as designed.

LSi Ishida scale label catalogs are among the most up-to-date, complete, and informative of any catalogs found on the Internet. However, new scale models are introduced to the marketplace regularly and the label support for these models may not be represented in our current catalogs. Please contact LSi regarding any label requirement not listed in our catalogs.

LSi does not publish our prices on the internet, so for pricing or additional information please **contact LSi**
